

Caroline van Hoek presents Gijs Bakker's new works at Design Miami/2013

During the **Design Miami/** fair, **Caroline van Hoek** will present a solo exhibition of **Gijs Bakker's** new works.

"What do Nadal, Ronaldo, Gonzales and Vermeer have in common ? Nothing if not that they all are symbols of excellence in their field and they are the new subjects of jewelry works by Gijs Bakker."

The Design Miami/ exhibition will run from December 4th until December 8th of 2013.

Location: Meridian Avenue & 19th Street, adjacent to the Miami Beach Convention Center, Miami Beach, USA.

For Design Miami/2013, Gijs Bakker designs a new serie of jewelry:

'Go for Gold' emphasizes the importance of gold in the competitive world of sports, business and politics.

By laser-welding gold on titanium or by laser-cutting gold under titanium, the brooches literally go for gold.

The exhibition will also include the new earring '**Girl with the Pearl**' made by Gijs Bakker in collaboration with the National Glass Centre University Sunderland.
